

What have we been learning in MP2?

★ STARS OF THE WEEK ★

I am star of the week for being principled and a risk taker in my learning this week. I've shown confidence, kindness and a strong growth mindset, all while helping others and being a positive role model.
"Well done" Ms Eva

I am star of the week for settling into my new school and class exceptionally well, and already demonstrating many of our personal goals in the short time I have been at iCAN. I am a very respectful and principled learner.

I am star of the week for settling into my new school and class exceptionally well, and already demonstrating many of our personal goals in the short time I have been at iCAN. I am a very respectful and adaptable learner.

ENTRY POINT

In MP2 have begun their first Learning Journey unit of the year - Brainwave! This unit teaches them how we learn best, deepening their understanding of the brain and growth mindsets.

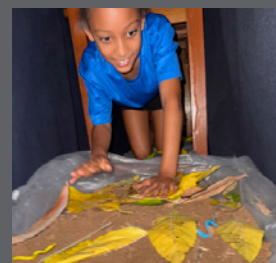

ART

In Art MP2 have been busy decorating their Art sketchbooks to add all their lovely artwork throughout the year. Together they worked on their Art class agreement, ready for a great year of learning.

LITERACY

In Y4 learners are reading 'The Tunnel' by Anthony Browne. The learners were able to experience a tunnel to enable them to think of good adjectives to use when describing how the character would feel being in this environment.

COMING UP NEXT WEEK...

ASAs start Monday 18th August

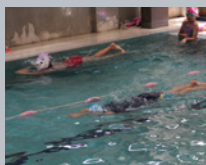

MATHS

In Maths Year 4 have been loving their practical, hands-on learning. They have been consolidating their place value and number knowledge using cooperation and team work.

SWIMMING

Year 3 revisited the importance of poolside safety, creating an agreement with Mr Greg. They then practised their gliding and pushing off skills.

Our Personal goal for this LB is Adaptable. We have been thinking about the changes that a new year brings and learning to be flexible when things change or don't go the way that we had planned

What have we been learning in MP2?

★ STARS OF THE WEEK ★

I am star of the week for being principled and trying my best in my learning this week!

"You have been very adaptable to classroom routines, especially as you are still new to iCAN! "Well done!" Ms Eva

I am star of the week for being such a principled, respectful, and cooperative learner. I have made a fantastic start to Year 4.

"Keep shining with your wonderful attitude and effort!" Ms Tracy

LITERACY

In Year 4 the learners were using their inference skills to look for clues and answers to questions in their story, 'The Tunnel'.

PE

Year 3 learners have been developing their dodging and tagging skills, working on their spacial awareness.

TOGETHER TIME

In MP2 our together times are all about joining together and having fun! It is a celebration at the end of the week for all of our amazing learning. Learners choose what activities they would like to take part in and work with learners in other classes.

COMING UP NEXT WEEK...

Tuesday 26th Family Coffee Morning
Communication 7.45-8.45am

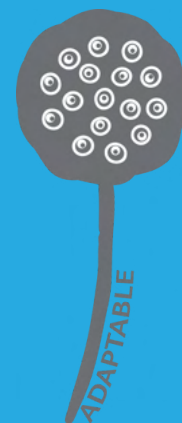

MATHS

Year 4 have been continuing their place value learning, partitioning 3 digit numbers in different representations and locating numbers on a number line.

KHMER

In Year 3 Khmer lessons our learners have been using a range of games to help them recap the sounds that they have been practising so far.

Our Personal goal for this LB is Adaptable. We have been thinking about the changes that a new year brings and learning to be flexible when things change or don't go the way that we had planned
