LB1 WEEK 10

MP1 SPECIAL GUEST- AARUN LIM

MP1 had a special visit this week from professional footballer Aarun Lim! Aarun plays for Boeung Ket FC and was also an iCAN learner. He came to share his journey with our learners and how his hard work and resilience helped him achieve his goals.

YEAR 6 MATHS

Year 6 have been working on some tricky fraction problems this week, eploring different strategies and challenging themselves to find solutions.

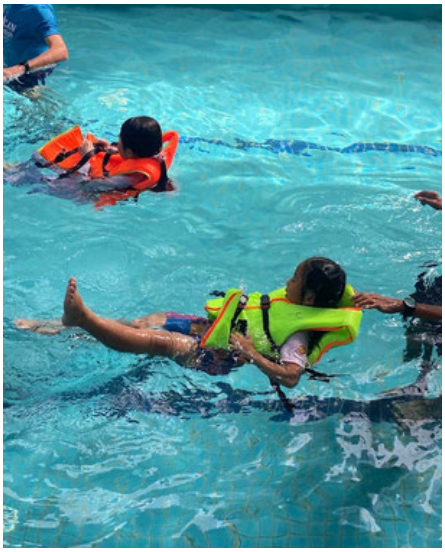

YEAR 3 WATER SAFETY

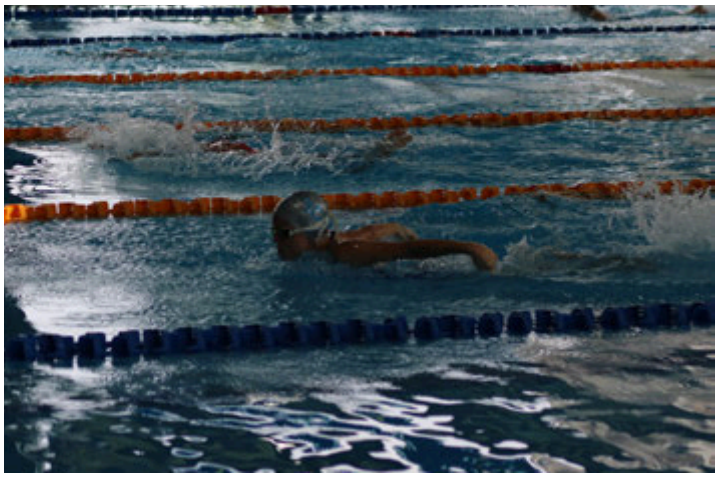

NISC SWIM MEET

What a wonderful weekend of swimming it was. Our learners' hard work and training paid off and they showed how resilient they really are at the NISC swim meet on Saturday.

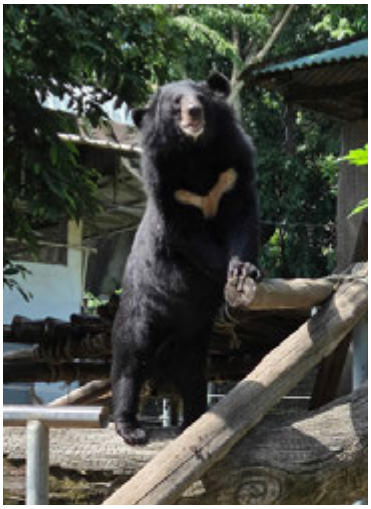

FREE THE BEARS MP3 TRIP

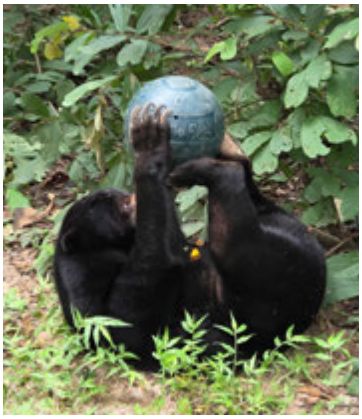

MP3 had a fantastic time visiting the Free The Bears sanctuary as part of their *Existing, Endangered, Extinct* Entry Point. They got the chance to make healthy snacks for the bears, and then watched as the bears found ways to access the food inside balls and bamboo tubes. The learners were very thoughtful as they learned about why this sanctuary is necessary, and discussed the importance of conservation and animal protection. A big thank you to the Free the Bears team for having our Year 5 and 6 learners this week!

YEAR 4 CELEBRATION OF LEARNING

Year 4 put on an incredible performance on Thursday to their families and the younger learners. They were so adaptable and amazing risk-takers to deliver their lines with confidence and assurance. Well done Year 4, we are so proud!

OUR STARS THIS WEEK

I have been a fantastic thinker and have been so imaginative when coming up with exciting story lines and fun games to play!

I have been a fantastic risk-taker in phonics and worked hard to write the letter sounds.

I have been such a resilient learner. I have adapted to new routines and am willing to explore different learning experiences.

I have been such a wonderfully focused communicator. My vocabulary is impressive, my writing is thoughtful, and my explanations are always clear!

I have been a resilient risk taker in swimming when participating in the water safety lesson, even when I found parts of it tricky!

We have been such fantastic risk-takers, resilient learners and super adaptable this week! We have shown incredible confidence and determination while practising and performing our Celebration of Learning assembly.

I have been a thinker and an enquirer during our field trip to *Free the Bears.* My curiosity was wonderful because we all learnt more from my thoughtful and respectful questions!

I have been a wonderfully resilient learner. I embrace mistakes as stepping stones to success and tackle tricky challenges with steady determination.
