

LB1 WEEK 9

SWIM TEAM

Our Seals have been working hard at the Olympic pool to increase their long distance swimming stamina and practise their dives for their upcoming swim meet this Saturday.

JUST KEEP READING!

We have so many wonderful new books celebrating our differences. Reading opens our minds to new worlds and perspectives, and is such an important part of learning and growing.

CAMBODIAN SOCIAL STUDIES INTERVIEWS

Year 6 learners have been interviewing our local team about the importance of Pchum Ben. They came up with deep questions that would help them to understand how our team celebrates and why.

SNACK TIME

Snack time is a great time for our learners to catch up with their friends and their Learning Facilitators and tell them all their weekend news and exciting stories!

WE LOVE TO PLAY OUTDOORS!

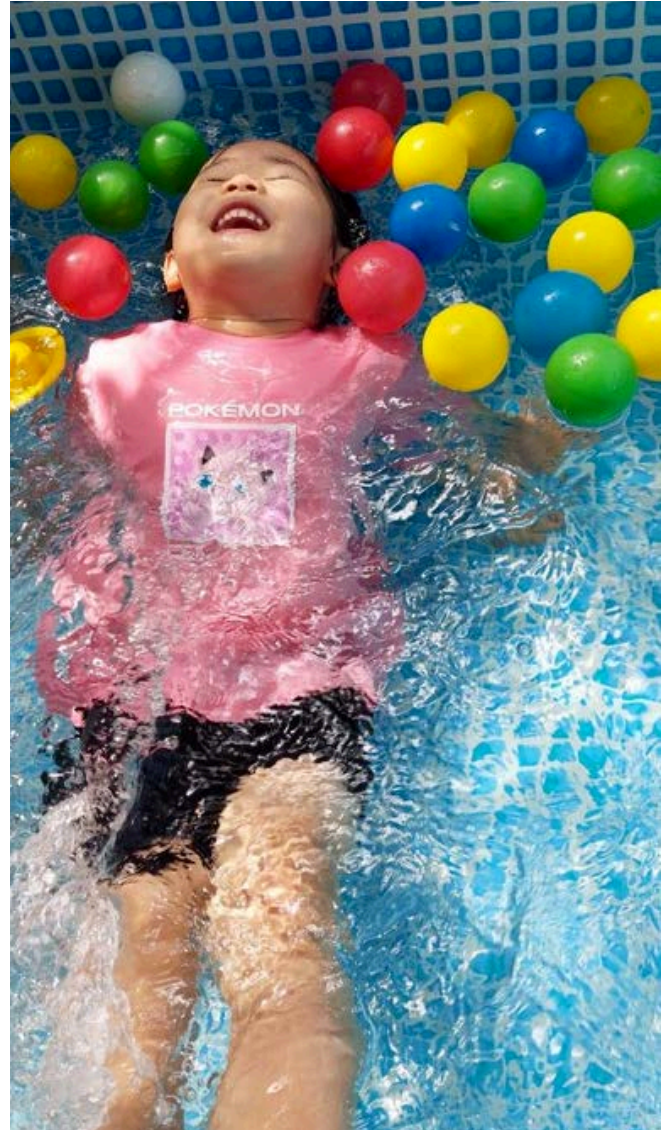

Playing outside brings the learners so much joy as they investigate their surroundings and challenge themselves in new ways!

YEAR 1 PROVISION

Year 1 provision is not playing. It is problem solving, making connections, practising new skills, turn-taking, exploring, trialling and so much more! These open ended resources allow our learners to apply what they have learnt and understand new concepts in their own way.

THIS WEEK IN THE
EARLY YEARS

A DAY WITH YEAR 2

Greeting our classmates in Morning Meeting.

Time for maths! Using Seesaw to solve addition problems.

Working with our partners in spelling time... is it igh, i_e or ie?

When learning Khmer, we go into our different groups to learn.

After lunch was Learning Journey where we looked at our future jobs!

Time for Music with Mr Lewis! We were practising our rhythm skills.

MP3 EXIT POINT: ROOTS, FRUITS AND SHOOTS

COMING UP ...

Tuesday 6th October - MP3 Entry point to the
Free the Bears Sanctuary

-

Thursday 8th October: Year 4 COL

-

12th-16th October: Pchum Ben Break

-

LB2 Week 1 ASA round 2 starts

UPDATES...

ASA Round 2 information is now available. Please sign up via our Google Forms or at the iCAN office from Monday 5th October. The form will go live from 8am on Monday.

OUR STARS THIS WEEK

I have been super happy and adaptable when settling into my new school environment.

I have been very kind to other children in the class, sharing activities and puzzles, and being thoughtful, caring, and gentle when playing with the younger learners.

I have been a communicator and a cooperative learner. I am making a lovely effort to share my ideas during mat time. I am learning to work with others, take turns and make new friends.

I have been so respectful and focused. I always take great care with my work and writing, never rushing, and produce such wonderful learning!

I have been a super communicator and have been expressing my fun facts, my imagination, and my feelings openly. I always stay true to who I am and what I believe!

I have been showing great empathy throughout the week, in my lessons and out in the garden. I am so thoughtful and caring.

I have been so resilient with the design and technology spring challenge. With the cooperation of my teammates I continued to be principled during repeated testing.

I have been a wonderful communicator! My thought-provoking ideas during guided reading sparked brilliant group discussions and inspired everyone around me.
