

# Our iCAN personal goals

Milepost 2

Which goals are you working towards?

- ☉ We can identify and consider issues from our learning
- ☉ We can use a range of thinking skills in solving problems
- ☉ We can draw conclusions and develop our own reasoned points of view
- ☉ We can reflect on our learning
- ☉ We can identify our own strengths and weaknesses

THINKERS

- ☉ We know about the different needs of other people, other living things and the environment
- ☉ We can show respect for ourselves, the needs of other people, other living things and the environment

RESPECTFUL

- ☉ We can develop our own feelings on what is right and wrong
- ☉ We know about the moral issues linked with the subjects we study
- ☉ We can express our own personal feelings with good reasons
- ☉ We can explain reasons for our actions

PRINCIPLED

- ☉ We can make our meaning and intention clear
- ☉ We can use a variety of technologies to help our communication
- ☉ We can communicate with different people about different things

COMMUNICATORS

- ☉ We know that it is ok to make a mistake
- ☉ We can learn from our mistakes
- ☉ We can try new things and experiences

RISK TAKERS

- ☉ We can consider interesting questions related to our learning
- ☉ We can plan and carry out research related to questions
- ☉ We can collect and use evidence from our investigations
- ☉ We can use our understanding to answer other questions

ENQUIRERS

- ☉ We know about different views, cultures and traditions
- ☉ We can consider and respect views, cultures and traditions of other people
- ☉ We can cope with unfamiliar situations
- ☉ We can approach tasks with confidence

ADAPTABLE

- ☉ We understand that different people have different roles to play in groups
- ☉ We can choose different roles depending on the needs of the group and on the activity
- ☉ We can work together to achieve goals
- ☉ We can resolve problems that arise in a group setting

COOPERATIVE

- ☉ We can stick with a task until it is completed
- ☉ We can cope when things do not go our way
- ☉ We can try again when we are not successful in our activities

RESILIENT
